We bring kid friendly games including popular multiplayer games such as **Blaze Rush** and **Panzer Panic** so that everyone can enjoy either in a group or individually. Want an experience, not on our list ? No problem. Just let us know.

For the best experience, we recommend that each headset is used with a spinning chair. Since you have a full 360 view in virtual reality, it's common whip your neck around which is non-ideal. Spinning in a chair is much safer and way more fun! If you need us to bring spinning chairs (\$20/chair), just select the add on when you complete your order.
